

Millions of people have their identity stolen every year.
Don't be one of them.

Protecting Your Bottom Line with IDShield

Every year, millions of people become victims of identity theft. When cyber criminals strike, it's hard to know what to do or where to turn. IDShield monitors your Personally Identifiable Information (PII) and online privacy from all angles, and if your identity is stolen, we provide full-service restoration to restore your identity to its pre-theft status.

Continuous Credit Monitoring

Lenders, creditors and many businesses check your financial data and submit their findings to your credit report. IDShield monitors your TransUnion credit report, alerting you to any changes and providing a complete view of your valuable credit standing.

Unlimited Service Guarantee

We don't give up until your identity is restored. Our industry-leading identity theft specialists will do whatever it takes for as long as it takes to help recover and restore your identity to its pre-theft status.
